

Rockville Tudor Apt. Corp.

FORM: Notifications & Contacts

The Rockville Tudor utilizes a communication notification platform, *One Call Now*, that allows each shareholder to customize how information is provided to them to best suit their individual preferences. This service provides an immediate and effective way for providing information regarding emergency situations and/or updates on building related shutdowns and maintenance activities.

One Call Now transmits messages through: landline and mobile phones, SMS text, push notification, and email. *One Call Now* apps are available for download on Apple iTunes®, Google Play® and Microsoft Store®

Each resident may provide several telephone numbers and email addresses for receipt of broadcast messages.
